

**Miami County**  
**Pheasants Forever/Quail Forever**  
*Working to improve wildlife habitat in Miami County*  
1291 Archer Dr. Troy, OH 45373

January 1, 2019

Friends of Miami County Pheasants / Quail Forever:

In our 18-year history, Miami County Pheasants / Quail Forever has had a very strong hand in planting over 6,000 acres of habitat, thousands of trees & shrubs, held multiple youth events every year and supported dozens of other wildlife enhancement projects. Local non-profit organizations like Miami County Pheasants Forever (MCPF) can only continue to thrive with LOCAL support.

Here are ways you can help us in our mission:

- Sponsor a sign at our “Fun Shoot for Habitat” – Your **\$100** donation stays right here in Miami County; and since we are a 501c3 Charity, our receipt will help you with your taxes.
- Come to the Fun Shoot, and bring your family & friends – This is the most fun way to donate. But this only works if we have a big crowd! Bring your shotgun and a few boxes of shells and we provide the rest! **\$40 entry fee** covers the 50 bird sporting clays event, lunch, donation to Pheasants Forever and shooter prizes. The event is **April 27, 2019** at 1612 S. Main St. Piqua, OH 45356 (Parking is at the Orrmont Estate).
- Send a check – Simply mail a check made out to “Miami County Pheasants Forever” to: Miami County Pheasants Forever, 1291 Archer Dr. Troy, Ohio 45373. We will get you the receipt for your tax deduction!

Below is some information about chapter expenses:

1. Scholarships and Habitat Forums – Every year MCPF sponsors several habitat related workshops; each can cost the chapter as much as \$500. Our goal is to ensure that we have at least **\$2500** available to support these forums. These events, along with scholarships for students and teachers, are funded by the chapter with no reimbursement.
2. Farm Bill Biologist – We hope to be able to allocate **\$10,000** to the farm bill biologist program this year.
3. Youth events – The anchor event of our youth program is the annual John D. Stull Memorial Youth Pheasant Hunt. We are lucky enough to have Stull Preserve donate the main facility but the chapter spends north of **\$2500** on the event for birds, breakfast & lunch, giveaway’s and other expenses.
4. Ohio State Pheasants / Quail Forever: Pheasants Forever is a grass roots organization. The state chapter is financed only by donations from the county chapters. MCPF believes the state level projects are worthwhile and hope to donate **\$3500-\$5000** each year to these programs.

There is a lot going on and this takes a lot of donations. We hope you can help!

Sincerely,

*Tony, Scott, Fred and Rob*

Miami County Chapter # 676 Officers

**Habitat First.....Pheasants & Quail Forever!**

Donations received by PF are charitable under section 501 (c) 3 of the Internal Revenue Code.
